SUBJECT Guerrilla Activities in South China

25X1A

1. On 30 April guerrillas led by LIN Hao-chun (林鵠群) raided and burned the bus terminal at T'ingan Hsien (110-46, 19-42). Large quantities of cement, gasoline, sugar, two trucks, and other supplies were also burned or destroyed. Anti-Communist guerrillas on Hainan are now based at Wuchihshan (109-27, 18-52).
2. On 12 May over 800 local militiamen in Ch'angling (長嶺) and Yenliu (岩劉) under YANG Ming-hsien (楊明賢) and LIU Shao-chiu (劉紹裘) confiscated 32 rifles from the rural government of Ch'angling and joined guerrillas at Tamushan (大嵴山).
3. The 2 and 5 Divisions of the Hunan Anti-Communist Army under LIN Hsiao-lu (林小盧), LUNG Huan-chang (龍煥章), and YANG Tso-hsien (楊佐賢), occupied Suining (109-52, 26-33) on 16 May and Chinghsien (109-34, 26-45) on 19 May. Chinese Communist armed strength in Shaoyang (111-23, 27-15) has been weakened from the transfer of regular troops to Korea, and able-bodied men have been joining guerrilla bands to evade Communist conscription and purges.
4. The 1 Independent Brigade of the Hunan-Kwangtung Anti-Communist Army under CH'EN Ch'ing-t'ien (陳青天) has been reinforced by young men fleeing from villages. On 10 May the unit destroyed a railroad bridge about four li north of Ch'imen (113-14, 25-19). Two Communist guards patrolling the bridge were killed.

CLASSIFICATION ~~CONFIDENTIAL~~

[illegible]

This document is hereby designated to
CONFIDENTIAL and to be placed with the
letter of 18-1-50 in the file of the
Director of Security, to be sent to the
Archivist of the Department of State.
